

Siskiyou Sports Car Club Event Guidelines

THIS IS A FOR POINTS EVENT AND IS LIMITED TO 100 PEOPLE, WHICH INCLUDES DRIVERS AND SPECTATORS— we are allowing SPECTATORS and VISITORS. With the current state of affairs that Covid-19 has forced upon us, we as an organization are at the mercy of the ever-evolving situation. We recognize the severity of what has become a “Global Pandemic” but want to get back to some sense of normalcy. We all want to get back to racing and enjoy the camaraderie and thrills of it all, but must do so while keeping everyone’s health and safety in mind. More than anything, we are asking that everyone acts proper and with respect for others. With that, as the guidelines and restrictions change, we have adopted the following to adhere to at our events.
