EDITOR'S NOTES

Another successful racing season ends with a great Enduro! As many know, it takes many active members "on the scene and behind the scenes" to make the events possible. Many of us enjoy the sport enough to make it worth devoting the time and effort it requires. Thanks to Competition Directors Jim & John for taking on the responsibilities and many tasks to "direct" fun & successful events this year.

The club's Christmas dinner will be at Jared Haaland's place in Medford this year. It is always a lot of fun with great food and a lot of visiting, so be sure to mark the date, Sat. Dec. 14, on your calendar. More information follows.

Elections for SSCC were held at the October meeting, so the new slate of officers will be taking over at the January meeting.

CLUB NOTES

Fall Enduro Thanks to all who worked, ran and/or sponsored this event. What a nice weekend to end our local events. Good sportsmanship, lots of practice

runs, good weather, new friendships being made and old friends enjoying each other's company, made it a delightful event! It was great having so many drivers new to our track.

A new overall, top time was set at this event!! Congratulations to Britain for breaking the 21 year record of 3:39.121.

Keep in mind, that the Spring Enduro, probably next March, follows the same schedule as the Fall Enduro and is a good chance to test drive any changes made during the winter. The schedule for next year will probably be out in January.

Awards

The banquet at Inn at the Commons (formerly The Red Lion) again consisted of a delicious meal, conversation and championship awards. Jim and John presented the plaques to the champions and door prizes were given to the lucky winners. Thanks to Kim for organizing another great dinner!! Speaking of Kim, she was presented a money tree at that dinner. The following note is from her:

Thank you to everyone who donated to the generous gift I received at the Awards Banquet for my baby boy (and future racer). The “diaper fund” has quite the generous head start.
