Warriors
On Track™

Well, it's almost over... Been kind of a strange season with the doubled-up events and other various things that have cropped up. But hey, we're still here and still pushing forward. Bryan managed to take the Warriors On Track Mustang to a CP Class Championship this summer, and he did it on street tires! (yeah they're 100 treadwear but still not a slick!) We do want to give a shout out to Chad Vetter. He's done a hell of a job making a very big car, really dang quick. Kind of harkens back to the days of Roy Driscoll and his Javelin! Well done though, you've put in a ton of hard work on that car, and it shows.

We are hoping to get some new veterans out with us for the enduro, we've had some trouble with coordinating that this year, but we definitely want to have some other folks come out and get in the driver's seat.

We still really do appreciate all the support from the club, and look forward to finishing out the season with a bang... (we may have a little surprise planned).

See you in October!
