Club Christmas Party

The Annual Christmas party was hosted by Michelle and Jared Haaland in Ashland. We had a great time and a good turn out from members from all over southern Oregon and Northern California. As usual we had wonderful company and antics ensued around the white elephant gift exchange. Thank you to all attended and we look forward to seeing you next year.

SSCC Schedule

The 2020 race schedule is to be determined at this moment, Jackson County Parks and Recreation is determining what will happen with the lease for the track for 2020 and beyond, please check website and Facebook for updates.

Memorial Scholarship

We received a very nice letter from the scholarship recipient for 2019, we just received the letter a few days ago. SSCC gives out two scholarships every year. Please see below.

Cars for sale or other cars or race parts for sale?

Email us and we will be sure to get it in the next newsletter.

Club Meetings

SSCC meetings to the third Wednesday of the month, at 6:30 our new meeting space will be at Southern Oregon Subaru at 3103 Biddle Rd, Medford, OR 97504

Sponsorship 2020

Own a business? or know someone that owns a business? Sponsorship is a great way to support the club and receive advertising for your business.

SCCA Handbooks 2020

The kindle version is out \$25
Print copies are coming soon
If you would like a print copy please contact Jared Haaland .

April 28, 2019

Dear Terry Hinesly Memorial Scholarship,

I would first like to thank you for providing the funds for this scholarship - by doing so, you are not only furthering my journey towards the automotive career field, but investing in the future of the automotive industry. This scholarship will be used to pay for classes in the automotive department, as well as tools to help speed along my education. Winning this scholarship means that I will spend less time working in my current job outside of my prospective career field, and more time studying to become an automotive technician.

Although I was not born in the Rogue Valley, I've had the privilege of calling it home for the past 15 years. I was born in Sacramento, California, and spent the first 10 years of my life in the suburbs. My family has always been too poor to afford taking our vehicles to a shop for repair, so I began learning basic automotive repair at a very young age. As I grew older and started driving on my own, I followed in the family tradition of taking the initiative and fixing things on your own. My lack of financial resource and natural mechanical aptitude led to a passion for repairing, upgrading, and even racing vehicles of many sizes and fuels. With that said, I plan on finishing my Associate's in Automotive Technology at RCC, and plan on owning several repair and performance shops in this beautiful valley.

Again, I would like to thank you for this award, as my future (and the future of the automotive industry in general) relies on people like you who invest in aspiring technicians. Without scholarships like this, many students like me would not have the opportunity to even attend RCC and further their dreams.

I will do my best to make your investment in my future worthwhile, and cannot wait to show you my contribution to the automotive industry!

Regards,

Braedon Roper
